Verre clairsemé avec douille E26
21640-CS01

STOCKHOLM

116, 216 & 316

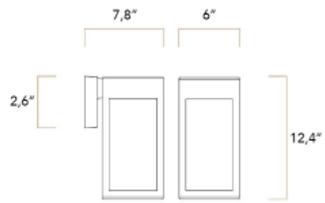

Avec son design rectiligne inspirant l'élégance, la collection Stockholm rend hommage à cette grande métropole scandinave qui marie avec goût l'architecture contemporaine et classique.

La collection Stockholm a été minutieusement conçue avec un système d'extrusion d'une qualité incomparable sur le marché, assurant un maintien robuste du verre.
