**Zenith** This is a lovely flush mount light! The Zenith is a sleek, modern look. The way the light is partially shielded by the outer shell creates a focused glow that would add a sophisticated touch to a space. The design makes it ideal for areas where you want both style and subtle lighting. It swivels for directional light and comes in Matte Black or Matte White with a gold interior. \*Features a 5CCT switch inside the canopy to adjust the 5 selectable colour temperature
